RESPONSE TO NOTICE TO FILE MISSING PARTS OF REISSUE APPLICATION

A notice to file missing parts of reissue application, copy enclosed, was mail in this case on September 21, 2001.

Apparently the only item missing was the statement of the assignee of part interest establishing his ownership in the patent. Thus, a new consent of assignee to reissue application is enclosed, including the assignee's statement stating the location of a recorded assignment document.

This is believed to address all issues, but if any further issue arises, it is requested that the examining party telephone the undersigned attorney.
